

To finish up with the old business, the names for the Old Timers' and the In Memoriam Plaques have been inscribed; we just need to install them on the plaques. The Fire Engine Donation has been initiated.

New Business: started with the suggestion for Walt Reed to contact Dennis Clifford to determine some idea for a Blacksmith shop.

The U.S. Forest Service will be having the Century of Celebration in Robinson Flats on August 10, 2005. They have asked the Foresthill Historical Society to find some speakers (individuals who will speak on historical events on the divide) and to donate some items for the time capsule they will bury. Some suggestions for the time capsule were the Foresthill Messenger, a Foresthill Historical Society Newsletter, and a Foresthill Historical Society Membership roster.

Some new ideas for the museum were suggested, for example a list of the Forest Rangers in service on the divide since 1905 (Century Celebration) might be nice.

Marvin Monk and/or Roy Turner decided that a call needs to be placed to Larry Jordan to obtain the plans for the relocation of the outside displays ASAP.

Joan Weed, president of the Placer County Docent Guild, did an oral history interview of Tillie Grant. This is the increase promotion of the oral history of the divide.

The meeting was adjourned at.
