

Joe Steiners  
Grave marker  
Project.

Joe Steiner Project (Lost active miner  
in Green Valley) on N.F. of American River.  
Original grave marker of wood, it was  
removed from site. We replaced with  
cement marker. His cabin and grave  
was near bottom of trail, about 200 ft  
above hotel site. The grave is on left  
side of trail going down, just below  
his cabin site.
